Uruguay

Uruguay 45 million

Plan Ceibal, since 2006

One laptop p child, 1st year onwards

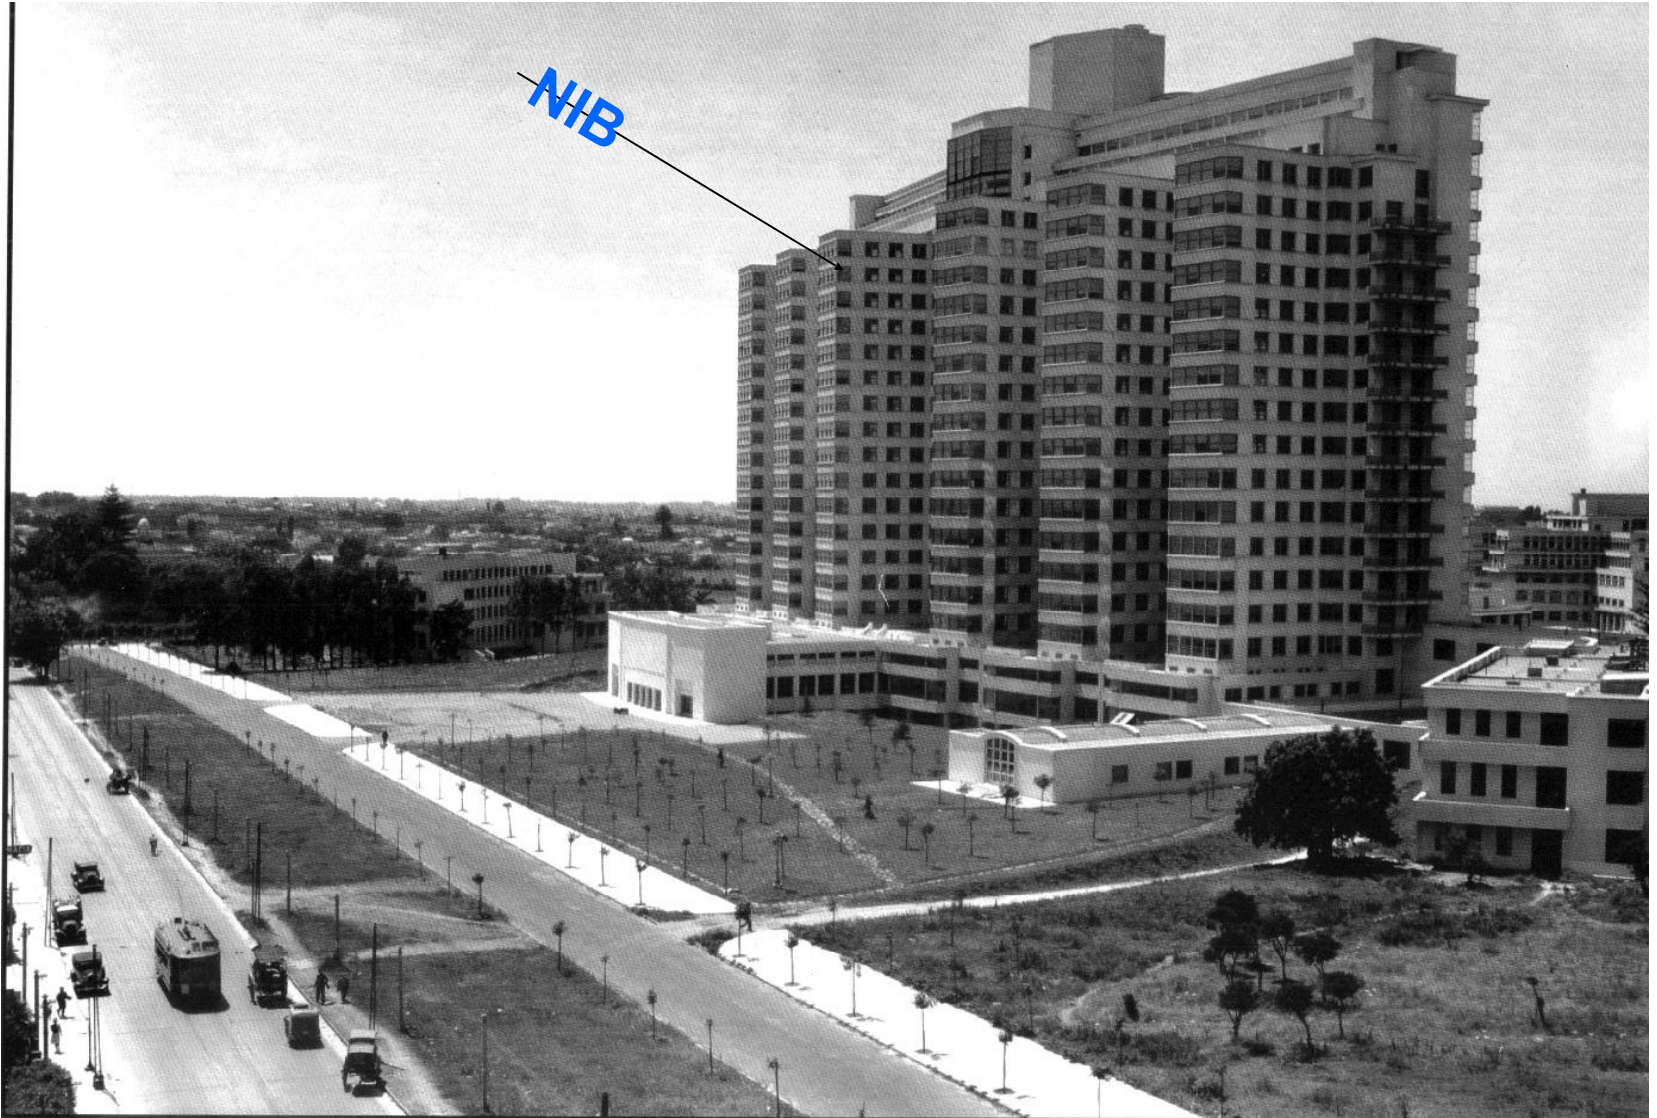

Faculty of Medicine, Uruguay

Faculty of Engineering, Uruguay

Hospital de Clínicas, Montevideo, 1950

University Hospital, today

Seminar, March 2021

TEATRO SOLIS

What is going to happen in Uruguay ?

3DAHM 2024

The **theme** of the 18th 3DAHM 2024 symposium is

***3D Human Movement Analysis: Biomechanics,
Medical Engineering with Computer Science
for Better Sport, Rehabilitation and Patient
Physician Relationship***

3DAHM 2024

The place: Uruguay 20.000 Km from Tokyo

The time: Spring 2024 Temp: 22 ° C

The institution: Universidad de la República

Sponsors: Firms, Societies, Universities

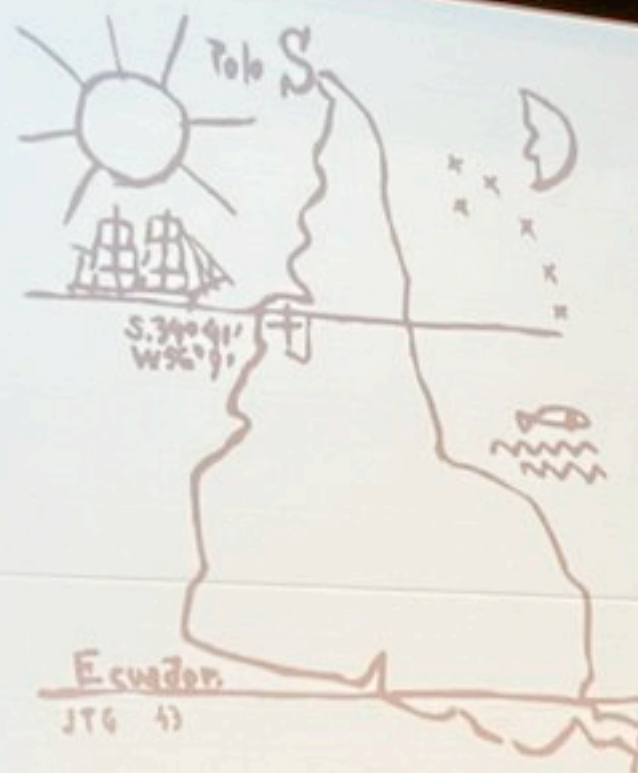

A catalyst firm to be decided

The people:

- Students committee
- Organizing committees (**Lat. Am. & local**)
- Academic committee
- 3DAHM executive committee
- 3DAHM 2024 executive committee

See you all in Uruguay !

Our North is the South

núcleo de ingeniería biomédica

You are all invited to the:

**18th International Symposium of
3-D Analysis of Human Movement 3DAHM 2024**

**November 2024
at Universidad de la República, URUGUAY**

Prof. Franco Simini, President of 3DAHM
Núcleo de Ingeniería Biomédica de las Facultades de Medicina e
Ingeniería, Universidad de la República URUGUAY

Thank you

Dr. Yoshiyuki Kobayashi
& his team

for a superb 3D AHM 2022.

Let us meet again in 2024

www.3dahm2024.com

3DAHM Executive Committee as of August 2022

Yoshiyuki Kobayashi, past President

Georgios Stylianides

Kim Duffy

Emily Schaefer

Chris Baten, elected July 2022

Raphael Dumas, elected July 2022

Franco Simini, President 2022-2024

18th International Symposium of 3-D Analysis of Human Movement 3DAHM 2024

November, 2024

Organized by the Núcleo de Ingeniería Biomédica (NIB) de las Facultades de Medicina e Ingeniería, UNIVERSIDAD DE LA REPÚBLICA, Montevideo URUGUAY

After the 17th International Symposium of
3-D Analysis of Human Movement
[3D-AHM 2022] July 16-19, 2022 at
Tokyo University of Science, Tokyo, JAPAN.
